

The all-new  
**SONET**  
THE WILD. REBORN.

**KIA**  
Movement that inspires

## Power of a beast

At the heart of every new Sonet is an engine with power. Power that's honed by precision driving dynamics from a wide range of refined and fuel-efficient engines mated to multiple transmission options. So choose your favourite combination, put pedal to metal, and let every road hear you roar.

Impressive performance, engineered to perfection.

This version emphasizes both the performance and the quality of engineering in a more concise and impactful way
